Watercolor Paints – Do NOT buy ‘student grade’!

All listed below are Winsor Newton (NOT Cotman!) unless I've listed another brand. (I usually buy the 14 or 15 ml tubes) – these paints will last you a LONG time. Please don't purchase any other greens than those listed. I know they look luscious and tempting, but you'll be wasting your money.

- Winsor Lemon
- Indian Yellow
- Cadmium Yellow Pale
- Winsor Orange
- Cadmium Red Deep
- Permanent Alazarin
- Winsor Violet
- French Ultramarine Blue
- Cerulean Blue
- Manganese Blue Hue
- Winsor Blue (Green Shade)
- Winsor Green (Blue Shade)
- Thalo Yellow Green (Grumbacher)
- Burnt Sienna
- Burnt Umber

Best Brands to Buy:

- Winsor Newton (NOT Cotman!)
- Grubacher (NOT Academy!)
- Sennelier
- Daniel Smith
- Holbein

Extra Colors That Are Great to Have... LATER.

(you can purchase these later if you want them)

Brushes

Good brushes will last you a long time if you take care of them. A good brush will make painting easier – a bad brush will only frustrate you and waste your money. Do NOT purchase 'Artist's Loft' brand from Michael's – they fall apart immediately!

You are looking for Short Handle WATERCOLOR Brushes. I recommend: Loew-Cornell #7020 series; these brushes will make painting EASIER.

They work extremely well, hold a lot of water and keep their point no matter how worn they become. . . . AND. . .they are inexpensive. I haven't found them locally, but stores will order them for you. Or you can purchase them inexpensively through Dick Blick.

(If you already have brushes, bring them and I'll let you see how the #7020 work. You can judge for yourself).

Loew-Cornell #7020 series Round Brushes

- #4 Round
- #6 Round
- #8 Round
- #10 Round
- #12 Round
- #14 Round

Flat Brushes

- 3/4" Flat
- 1 inch Flat Wash Brush
For Watercolor (no bristle brushes)

Other Painting Supplies

Canvas Brush Carrier

This is a MUST to keep your brush investment in top shape. A good one will fold open like an easel.

Watercolor Palette

Get a large white plastic tray that has 32 wells around the outside edge and two large mixing areas in the middle. You WANT large mixing areas – you will be using the lid as a mixing area too, so find one with a lid that has no wells.

140 lb COLD Press Watercolor Paper (22" x 30")

4-5 SHEETS (not pads) Buy either: Winsor Newton brand -or- Arches brand

300 lb COLD Press Watercolor Paper (22" x 30")

1 Sheet (not pad) Either: Winsor Newton brand -or- Arches brand (These will last you a long time. You will be breaking these sheets down into to much smaller sheets for use. Don't panic and buy cheaper pads, you'll only end up frustrated with the quality. Plus, with the cheaper grades you have to buy other supplies in order to use them. So keep it simple and make it easier for yourself to learn.)

1 (one) Student Grade Watercolor Paper Pad – 9"x12"

This is for exercises only. The better full sheets listed above will be the paper you create your masterpieces on! I recommend Strathmore Watercolor pad as shown in the image below.

'Prismacolor' brand Kneaded Eraser (NOT 'Artist's Loft' brand!)

Miscellaneous Supplies

- Indoor Slippers** or Flip flops
The studio has a 'shoes-off' policy so most students bring either a pair of slippers (in winter), or a pair of flip flops for indoor use. You are welcome to be barefoot or wear socks as well.
- LARGE Roll of **PAPER TOWELS**
- HB Pencil**
- Old 100% COTTON T-shirt cut up into 8 inch **RAGS**
Must be 100% cotton because it has no lint
- Small **Spray Bottle** filled with water
- Water Bottle** with water for drinking
- Bag** for carrying your supplies (anything that works for you)
- Apron** or wear old shirt over clothes

Optional Supplies

- If you own an iPad or other **Tablet**, you are welcome to bring it to class with you. An iPad is a great tool for research! If you don't have one, no worries.

If you have any questions as you are shopping, feel free to call me:
